Education

University of Tennessee • Knoxville, TN
Bachelor of Science Computer Engineering

May 2020
GPA: 3.37/4.00

Work Experience

Laboratory Technician

Dairy Farmers of America • Knoxville, TN

May 2018 – Present

- My role as a lab technician involves the receiving, measuring, and sorting of dairy samples for in-lab testing.
- Return/Send coolers via shipping and labeling with FedEx shipping manager software.
- Disarm and unlock the laboratory at 6 AM.

Clicklist Associate

Kroger • Knoxville, TN

Jul – Aug 2017

- My role as a Clicklist Associate for Kroger was to fulfill online orders for in-store pickup.
- Complete customer transactions for orders delivered to customers.

Summer Internship

Nucsafe • Oak Ridge, TN

Jul – Aug 2014

- Worked with a small commercial company that produces radiation detection instruments and neutron detectors.
- My mentor had me work with a Beaglebone Black microcomputer to create and host a browser-based sensor calibration prototype.
